## ESET® NOD32® Antivirus version 3.0

Protecting your computers from Internet threats shouldn't end at work. If you or members of your family are typical, you surf the Net, download files, share photos, play games and exchange email. How can you trust your computer environment is safe? It is no longer an option to simply hope your computer won't be attacked. It is essential to proactively protect your computer assets from Internet threats and "malware".

Built on the award-winning ThreatSense® engine, ESET NOD32 Antivirus Version 3.0 is a tightly integrated security solution you can trust to keep your system safe. ESET NOD32 Antivirus detects and disables viruses, trojans, worms, adware, spyware, phishing, rootkits and other malware. In fact, statistics show that if you are not protected, it takes only minutes to become infected. Can you really afford not to be proactive with your protection?

ESET NOD32 Antivirus' comprehensive and proactive maximum protection has only a minimal impact on your system. You won't experience a slowdown when you add ESET NOD32 Antivirus. After a quick and easy installation, it runs quietly in the background, freeing you and your family to enjoy a safe and protected computer experience.

### Key Benefits

<b>Proactive Protection</b>	Award winning ThreatSense technology combines multiple layers of detection protecting you from Internet threats before it is too late.
<b>Precise Detection</b>	Accurately identifies known and unknown threats. Consistently wins top awards from testing labs and is recognized as having zero false positives. *
<b>Lightweight</b>	Requires less memory and CPU power, which allows your computer to run fast and have more room for games, web browsing, and emailing.
<b>Fast</b>	A highly efficient program ensuring fast file scanning and product updates. Runs quietly in the background.

we protect your digital worlds®

## Best Detection

- ESET is the leader in proactive threat protection, with more *Advanced+* awards for superior threat detection than any other vendor since May, 2005 \*
- ThreatSense® technology detects more than 75% of new, unknown, threats heuristically – before a signature update is available. It detected most variants of MyDoom, Netsky, Bagel and Mytob heuristically \*\*
- ESET ThreatSense is the only antivirus technology that has not missed a single In-the-Wild virus in rigorous Virus Bulletin VB100 testing since May, 2002 \*\*\*
- ESET has the only product with zero false positives in retrospective tests conducted by AV-Comparatives \*\*\*\*

## Fastest Performance

- 40 MB/sec average scanning rate on Windows XP x64 \*\*\*\*
- Up to 34 times faster than the leading brands under Windows XP \*\*\*\*

## Minimal Resource Utilization

- Optimized engine uses approximately 38 MB memory on average
- Uses less than 78 MB of disk space

## Documentation

The product comes with the following documentation:

- Product Quick-Start Guide (PDF for download; printed manual for boxed version)
- Operating System Integrated Help (F1-key)

## System Requirements

Processors supported: Intel® or AMD® x86 and x64  
 Operating Systems: Microsoft® Windows® 2000  
 Microsoft® Windows® XP (32 and 64-bit editions)  
 Microsoft® Windows Vista® (32 and 64-bit editions)

Memory: 33 - 38 MB, on average  
 Disk Space (download): 16 MB  
 Disk Space (installation): 78 MB
